(“we” or our “**Company**”) pursuant to Part XIVA of the Securities and Futures Ordinance and Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited. Capitalized terms used but not defined herein shall have the meanings ascribed to them in our 2021 Annual Report.

Results of LVS and Form 10-Q Quarterly Report

Our Company’s controlling shareholder, Las Vegas Sands Corp. (“**LVS**”), is a company listed on the New York Stock Exchange (the “**NYSE**”) in the United States. As at the date of this announcement, LVS beneficially owns approximately 70% of the issued share capital of our Company.

Reference is made to our announcement on October 20, 2022 in respect of the announcement by our controlling shareholder, LVS, of its financial results for its fiscal third quarter ended September 30, 2022.

LVS files quarterly and annual reports, including quarterly and annual financial information and certain operating statistics under Form 8-K, Form 10-Q and Form 10-K, respectively, with the United States Securities and Exchange Commission (the “**SEC**”), in accordance with the ongoing disclosure obligations applicable to a publicly traded NYSE-listed company. Such filings include segment financial information about the Macao operations of LVS, which Macao operations are owned by our Company, and the filings are available in the public domain.

LVS has, on or about October 22, 2022 (4 a.m. Hong Kong time), filed its quarterly report with the SEC under Form 10-Q for the fiscal third quarter ended September 30, 2022 (the “**LVS Quarterly Report**”). The financial results of LVS and its consolidated subsidiaries, including those contained in the LVS Quarterly Report, have been prepared in accordance with the generally accepted accounting principles of the United States (“**US GAAP**”), which are different from the International Financial Reporting Standards (“**IFRS**”) that we are subject to when preparing and presenting our financial results and related financial information. However, following the substantial convergence of the IFRS and US GAAP accounting standards on revenue recognition and leases, the previous material differences between the two accounting frameworks applicable to the Company have been eliminated. Nevertheless, holders of and potential investors in our Company’s securities should consult their own professional advisers for an understanding of the differences between IFRS and US GAAP.
